

BioGAP v2 board-to-board connector for electrode interfacing

GAPses board-to-board connector

Eidgenössische Technische Hochschule Zürich  
Swiss Federal Institute of Technology Zurich

Project:  
**GAPses BioGAPv2 adapter pcb**

|                                                                                          |           |         |                           |                          |
